ELIGIBILITY AND POLICY

The Mary Margaret Trant Nursing Scholarship was created in 2021 to assist worthy nursing school students with financial grants which may be applied towards the cost of tuition, books, and equipment.

Applicants must be accepted to an accredited nursing school. We do not accept applications from students in pre-med programs or other health related fields.

Applicants must be a graduating student from one of the following high schools: Bishop Fenwick High School, Stoneham High School, Melrose High School, Reading High School, or Wakefield High School.

The degree to which we are able to provide financial assistance varies from year to year, depending in part on the generosity of our contributors who make donations in the form of memorial gifts, general donations, and proceeds raised through fundraisers throughout the year. Candidates are judged on the basis of personal character and scholastic standing. The deadline for applying is May 1. Incomplete applications will be disqualified.

Thank you for your interest in the Mary Margaret Trant Nursing Scholarship.
